Chantier naval historique

Chantier naval italien fondé en 2013 dans le but d'offrir des solutions hautement professionnelles aux besoins des armateurs, des marins et des bateaux à moteur allant de 10 à 28 mètres.

Le cœur de métier de l'entreprise est le Chantier Naval, qui regroupe les activités de stockage intérieur, les services de maintenance ordinaire et extraordinaire, l'assistance technique spécialisée sur tous types de moteurs marins, notamment sur Volvo Penta en tant qu'Atelier Agréé, et tous autres services pour la navigation de plaisance.

Volvo Penta a choisi son chantier naval pour représenter sa marque et réaliser des interventions précises et garanties sur les bateaux équipés de moteurs Volvo. L'instrumentation informatisée leur permet de poser un diagnostic précis et de garantir la solution à tout type de problème.

Le stockage intérieur est d'environ 1 200 mètres carrés tandis que pour le parvis extérieur, la zone disponible pour le stockage et tout autre traitement est d'environ 3 500 mètres carrés.

Toutes les opérations sont réalisées par du personnel technique spécialisé, qui effectue son travail avec sérieux et professionnalisme en utilisant des équipements spécifiques et des produits d'excellente qualité, garantissant la plus grande attention à chaque détail dans l'exécution des travaux.

Grâce à la présence d'un Travel Lift de dernière génération de 100 tonnes, d'un point de vue technique et d'utilisation, ils peuvent garantir une sécurité maximale dans le levage et la manutention des voiliers et des moteurs entre 10 et 30 mètres.

Enfin, entre autres, la société propose un forfait annuel de gestion du bateau, avec gardiennage, nettoyage et maintien en ordre de la coque en général.

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
